

This year's index covers material from the January 1990 through the December 1990 issues of **Art Material Trade News**. The index provides the reader with easy access to the material featured in each issue.

Columns and departments are indexed under their specific headings, which are: Editor's Desk, Gallery, Getting Personal, Literature, NAMTA News, News Today, Products and Videos. Feature articles are listed under the heading: Articles, Feature — while authors are listed alphabetically (with accompanying articles) under the heading: Authors. Additional categories in the index, pertaining to specific subjects, include: Airbrushes, Art Papers, Computers, Forecasts, Focus (Product), Paints, Writing and Drawing Tools, Easels, Mat Cutters and Boards, Portfolios, Art Boards and Canvases, Brushes, Art Books and NAMTA's Annual News & Views.

Each entry is followed by the month and the page number of the issue in which the material was published.
